IMPARTING GLOBAL VALUES THAT RESULT IN HAPPINESS

Happiness, they say is a mental state of well-being characterized by positive or pleasant emotions. Meaning of happiness changes from person to person. For some Happiness is a job with a smart pay check, while for some it is playing a passion sport. For some it is innovating a new idea and for some, it's being with like minded friends. The end result of all doing all this is a simple but powerful satisfaction, called Happiness.

So how does one achieve this?

We at Vardhaman College of Engineering have derived happiness as a process of an end to end simple and smart solution that make every student bring out the best in them.

Be it in our infrastructure, our faculty, our amenities or our placements, we have made sure our students are happy in every aspect along with a sense of discipline and good culture. Using these measures, we believe, we can build a strong foundation for the future generation, along with a perfect sense of ethics, a zeal to face challenges, and achieve respect, and most importantly, a real sense of pride where ever they travel or face the world.

Welcome to Vardhaman, where Happiness is a way of life.

OUR VISION

To aim at inculcating the spirit of high ambitions, healthy attitudes, discipline and multidimensional excellence in the students and strive to mould them to scale new heights and get their mental horizons enlarged through value-based technical education and congenial study environment.

OUR MISSION

To sharpen the inherent professional skills of our students to enable them compete in the complex world through our newly evolved quality management system and dedicated staff. The practical oriented education and the research tie-up with industries provided by us, tend to promote the intellectual pursuits of the students.

Vardhaman College of Engineering (VCE) was established in the year 1999 by Vardhaman Educational Society, Hyderabad. VCE enjoys geographical advantage as it is well connected by air, rail and road. Rajiv Gandhi International Airport at Shamshabad (Hyderabad) is just a 15 minute drive, and the college campus is close to Bangalore highway (NH-7) making it accessible to quite a good number of Business & Corporate hubs in and around the city.

Vardhaman College of Engineering is UGC AUTONOMOUS college, received Permanent Affiliation from Jawaharlal Nehru Technological University, Hyderabad from the academic year 2009 - 2010 onwards, approved by the All India Council for Technical Education (AICTE), New Delhi and is accredited by NAAC with 'A' grade and achieved 3.24 CGPA out of 4 point scale and accredited by National Board of Accreditation (NBA), New Delhi.

COURSES OFFERED

UNDERGRADUATE COURSES

S.No.	Year of Estd.	Name of the Course
1.	1999	B.Tech - Computer Science & Engineering
2.	1999	B.Tech - Electronics & Communication Engineering
3.	1999	B.Tech - Information Technology
4.	2002	B.Tech - Electrical & Electronics Engineering
5.	2006	B.Tech - Mechanical Engineering
6.	2009	B.Tech - Civil Engineering

POST GRADUATE COURSES

S.No.	Year of Estd.	Name of the Course
1.	2008	M.Tech - Computer Science & Engineering
2.	2008	M.Tech - Power Electronics & Electrical Drives
3.	2009	M.Tech - Digital Electronics & Communication Systems
4.	2012	M.Tech - Embedded Systems
5.	2012	M.Tech - Engineering Design
6.	2013	M. Tech - Structural Engineering
7.	2007	MBA - Master of Business Administration

COURSES OFFERED

WHY VARDHAMAN COLLEGE?

1. Vardhaman College of Engineering is the best amongst all the Institutions in Hyderabad.
2. It attracts the students at the time of admissions and the students attain merit positions in JNTU Hyderabad regularly.
3. All faculty, staff and students of the college are committed to the mission of the college, making it a leader in technology and science through hard work, integrity and team spirit.
4. Vardhaman has good infrastructure, placements, faculty, air conditioned laboratories and research laboratories.
5. All computing and laboratory infrastructure are open round the clock depending upon the need of the students and to benefit the students who stay in college hostel.
6. Computerized monitoring of attendance, individual progress monitoring, counseling through faculty from each department, have been introduced. This has made students more responsible, leading to significant drop in failures and delay in completion. Emphasis on 100% attendance in all courses.

WHY VARDHAMAN COLLEGE?

7. Adequate in-campus accommodation for all categories of students:
A fully functional, individual boys and girls hostel with a capacity of 300 students in each category is available within the campus.
8. The Placement record is immaculate with four out of five students being selected in top multi-national companies.
9. Co-curricular and extra-curricular activities are planned and executed through a number of associations, clubs, societies and student chapters of professional bodies. They are owned and managed by representatives of students and are monitored by the faculty in-charge.
10. Flexibility in all UG and PG programs: Introduction of wide range of elective papers including interdisciplinary subjects in syllabi.
11. Continuous Evaluation System of Students: Regular class tests, assignments, mid-term examinations, seminars, quiz programs and laboratory tests.
12. Revised courses of studies of B.Tech., M.Tech., and MBA Programs with large number of modern and industry-oriented subjects. The college revises the syllabi on a regular basis.

WHY VARDHAMAN COLLEGE

13. Encouragement of creative project work in under-graduate and post-graduate programs.
14. One of the 22 colleges in India to have the satellite communication facility to receive online lectures by renowned US and European professors under the Indo US Collaboration for Engineering Education (IUCEE) E-learning initiative.
15. Completely ragging free campus.
16. The alumni are playing a major role in building the positive image of the institute in India and abroad.
17. Wi-Fi enabled campus and high internet bandwidth of 60 MBPS is provided in each class room and laboratories along with provision of LCD projector.
18. So far 20 patents have been filed by Vardhaman faculty and 89 by students.
19. The entire campus has been renovated with regard to buildings, roads, utilities, security, cleanliness and hygienic by the constant supervision, up-gradation and development efforts for conducive academic environment.

OUR USP'S

- Emphasis on continuous evaluation
- Enhancing critical thinking and problem solving skills
- Recession proof education
- Learner centric systems
- Credit based system
- Teachers Assessment Examination (TAE)
- Results within Eight days
- Practicals are enriched with design approach
- Industrial training / Internship compulsory
- Interdisciplinary subjects
- Design projects in every year
- More hands on practice
- Open ended experiments
- Soft Skills Training
- Hobby workshops
- Value addition courses
- Open electives
- Professional electives
- Technical fests

Admission to B.Tech course is done through EAMCET, a common entrance test conducted by Government of Telangana State. 70% of the seats are allotted for the merit students based on their rank in EAMCET, 30% of the seats are filled under management category. In addition, diploma holders are admitted into II year B.Tech to the extent of 20% intake based on the merit in ECET, under lateral entry scheme. Admission to MBA is made on the basis of merit in ICET and M.Tech admissions are based on the merits in "GATE "and "PG CET" and are allotted in the ratio of 70% under merit quota and 30% under management.

ADMISSION

QUALIFIED AND COMMITTED FACULTY

Vardhaman follows 100% compliances to AICTE norms. Among our 298 strong and dedicated faculty, 30 are professors with doctorate degree (Ph.D), 57 are Associate Professors and 211 are Assistant Professors with PG qualification. The faculty members of VCE are leaders in research in their profession and in the development of innovative curricula and courses. It is also our mission to bring the real-world into the classroom by providing Engineering students with practical hands-on experience through Industry-sponsored projects.

PLACEMENT AND TRAINING CENTER

The Placement and Training Center of VCE gives a silver lining to students career prospects. We focus on the current needs of the industry and create awareness in the students of various opportunities and growth available to them, well in advance, starting from the second year of the course.

Further, the students receive continuous training in employability skills, soft skills and professional etiquettes, that play a vital role in enhancing their professional competence. Also, corporate giants visit our campus very frequently for recruitments and offer enviable pay packages.

In addition to this, students make several industrial tours, undergo industrial training, take up short-term project work during their summer vacations in reputed companies for better industrial exposure.

SOME OF OUR RECRUITERS

KNOWLEDGE

Knowledge is said to be the most invaluable asset that one can have. To add a more perfect blend to it, the overall personality of a person is also equally important. Facing the challenges of the world with ease smartly comes with developing and enhancing one's outer appearance as well as inner talent. Every individual has a different attitude, thought process, likes and dislikes.

At VCE, we collectively work on students wisdom, personality and confidence building, to bring a positive change in their lifestyle.

VCE is in forefront of effective learning & teaching, coupled with research, and a trend setting educational institute.

So, welcome to Vardhaman College of Engineering, to explore and experience the world of knowledge and wisdom.

Pre-Placement Training Programs:

I Semester	Soft Skills
II Semester	Quantitative Aptitude (Arithmetic)
III Semester	Learning English Effectively (LEE)
IV Semester	Technical Skills
V Semester	Logical and Analytical Reasoning
VI Semester	Personality Development Programmes
VI and VII Semester (During Summer Vacation)	Special Placement Focused Training

HOME FOR LEARNING MINDS

Residential facilities for both boys and girls are located in the vicinity of the college encapsulated by a panoramic environment. Hostels for boys can accommodate 300 students and hostel for girls house 300 students (individual as well as group accommodation for a maximum of 3 students with facilities provided for air-conditioner, wi-fi internet and TV set. The hostel is distinguished by the beautiful scenery all around.

Delicious and nutritious food is served in a spacious dining hall. There's an in house infirmary to handle simple health problems. Many other service facilities such as Central Bank Of India ATM, Post office and Laundry facilities are within the campus. Sports facilities include, an International Cricket Stadium with flood lights, Swimming pool, Tennis courts, Basketball courts, Table tennis rooms, Badminton courts, Volleyball courts and Martial arts. Transport accessibility includes a domestic airport, a well connected railway station and convenient bus bays.

MEMORANDUM OF UNDERSTANDINGS WITH
LEADING INDUSTRIES AND ORGANISATIONS (MOU'S)

TRANSPORT

A fleet of thirty six brisk and luxurious buses ply from all corners of twin cities to VCE making commutation easy and enjoyable.

COMPETITION IS HEALTHY

Vardhaman College students benefit from a range of excellent, up-to-date sports facilities including a full size turf pitch, flood lit stadium, a dedicated sports trainer, a fully functional basket ball and football ground, shuttle courts, indoor games and access to a competitions nation wide.

We believe, apart education, sports adds a lot of physical and mental stability to an overall individual helping him focus and concentrate more on his goals and become a successful individual.

A graduation ceremony at Vardhaman College is like a pageant, celebrating the transition from student to graduate and marking the beginning of an exciting new chapter in their life. There are celebrations galore and an evening of awards and felicitations for the deserving. It is a sheer moment of pride, not only for the student, but also for the management and work force at Vardhaman College, to see their ever growing Alumni reach out to all parts of the world with confidence, pride and happiness.
