Note : \* The approval for additional course(s) / increase in intake / variation in intake is valid for two years from the date of issue of this letter for getting affiliation with respective university/State Government requirements of admission.

"That the institution shall take appropriate measures for prevention of ragging in any form, in the light of directions of Supreme Court of India in Writ Petition No. 656/1998. In case of failure to prevent the instances of ragging by the institutions, the Council shall take appropriate action including withdrawal of approval".

The additional intake is being granted based on the projections shown in the Detailed Project Report regarding additional built up space, faculty and other facilities for the proposed intake. It may be noted that all facilities including additional built area and appointment of faculty should be made available before the commencement of the next academic session. Random surprise inspection would be carried out to verify facilities and if the institute is found deficient in fulfillment of norms & standards of AICTE, appropriate action would be initiated by the Council.

Please note that other terms & conditions in the earlier letter will remain unchanged.

The approval is granted based on the appraisal of the information submitted by the institution on infrastructural facilities and academic faculty created for the proposed course(s). Therefore, the approval is subject to the verification of the claims made by the institution through an Expert Committee Visit. In case the claims made by the institution is found to be false, the approval granted shall be liable to be withdrawn.

Note: The approval for the additional course (s) / increase in intake / variation in intake is valid for two years from the date of issue of this letter for getting affiliation with respective university and fulfilling State Govt. requirements of admission.

The additional intake is being granted based on the projections shown in the Detailed Project Report regarding additional built-up space, faculty and other facilities for the proposed intake. It may be noted that all facilities including additional built-up area and appointment of faculty should be made available before the commencement of the next academic session. Random surprise inspections would be carried out to verify facilities and if the institution is found deficient in fulfillment of norms & standards of AICTE, appropriate action would be initiated by the Council.

All other terms and conditions in the letter referred above remain unchanged.

Sir,

In partial modification to this Council's approval letter of even file number dated July 28, 1999, I am to state that the course Mechanical Engineering may be read as Information Technology with an intake of 60.

Thus this makes the total courses and intake conducted by the institution for the year 1999-2000 as follows :

| COURSE(S)                               | INTAKE | LEVEL  | DURATION (YEARS) |
|-----------------------------------------|--------|--------|------------------|
